

07912-5 - LENS COVER, CLEAR ARROW INDICATOR

Description

07912-5 - LENS COVER, CLEAR ARROW INDICATOR

New Surplus, Sold Per Each,

A light housing or lens cover is a transparent or translucent protective cover designed to shield and diffuse light from an indicator, bulb, or LED. It helps control light dispersion, protect internal components from dust and damage, and enhance visibility in various applications, including control panels, aircraft instrumentation, and industrial equipment.

Part Number Information

Part Number: 07912-5

Unpunctuated: 079125

Condition: New Surplus - *These parts are classified as new and unused, meaning they have not been installed or placed into service. However, they come without traceability or original manufacturer certifications, which might be required for certain high-level regulatory uses. Our company provides its own Certificate of Conformance (CoC) as a statement of assurance that the parts are in good working condition and have been sourced from reliable channels. These are ideal when the focus is on cost-effectiveness without compromising on quality.*

Unit of Sale: Sold Per Each - *This item is sold individually, with the price listed for a single unit. Perfect for purchasing the exact quantity needed without the requirement to buy in bulk. For larger quantities, consider reviewing any available bulk pricing options.*
