Condition and Unit of Sale

SURPLUS: Surplus items can be either new or used but remain in good condition. These parts may lack manufacturer documentation but are typically sourced from excess inventories or decommissioned systems. While these products are priced lower due to their surplus nature, they are verified to be functional and suitable for various applications. Surplus parts are an excellent choice for budget-conscious projects and repairs.

SOLD PER EACH: This item is sold individually, with the price listed for a single unit. Perfect for purchasing the exact quantity needed without the requirement to buy in bulk. For larger quantities, consider reviewing any available bulk pricing options.
