NSN: 2840-00-169-0069, NIIN: 1690069
Overhauled, Sold Per Each

Specifications

Product information is currently unavailable for this item at this time.

We understand that finding accurate and readily available information for aviation parts can often be a frustrating and time-consuming process. Our goal is to simplify this search and make aviation part data more accessible to everyone. If you have specifications or insights for this product that could benefit the wider community, we would greatly appreciate you sharing them by sending an email to Sales@avboxus.com.

Your collaboration in building a more informed industry is highly valued.

Part Number Info

Part Number: 3020137
Unpunctuated: 3020137
NSN: 2840-00-169-0069
NIIN: 1690069

Overhauled: Parts in this condition have undergone a thorough overhaul process, restoring them to like-new condition. Overhauling includes disassembly, inspection, and replacement of any worn components to meet manufacturer or industry standards. After the overhaul, these parts are tested and

certified, making them ready for use in demanding applications. Overhauled parts offer a balance between cost savings and the reliability of a part that has been restored to peak performance.

Sold Per Each: This item is sold individually, with the price listed for a single unit. Perfect for purchasing the exact quantity needed without the requirement to buy in bulk. For larger quantities, consider reviewing any available bulk pricing options.

Alternate Part Numbers: Due to the nature of ever-evolving part numbering structure, multiple part numbers may meet the same specifications and performance standards. If only an alternate part number is available, we will contact you to confirm compatibility. We strongly recommend consulting the appropriate repair manuals to ensure accuracy before using an alternate part.
