

49-22-4800 - MILWAUKEE SHOCKWAVE™ 3 PIECE IMPACT HOLE SAW SET, STEEL

Description

49-22-4800 - MILWAUKEE SHOCKWAVE™ 3 PIECE IMPACT HOLE SAW SET, STEEL

New Stock, Sold Per Each

Type: Milwaukee SHOCKWAVE™ 3 Piece Impact Hole Saw Set

Milwaukee® Shockwave Impact Duty™ Thin Wall Hole Saws

Designed with a robust 1/4" quick change hex shank, Milwaukee® Shockwave Impact Duty™ Thin Wall Hole Saws provide a reliable hole-making solution for professionals using impact drivers. Featuring a thin wall, 8 TPI design, these hole saws deliver burr-free cuts up to 40% faster than standard bi-metal hole saws. An included ejection spring eliminates the hassle of manually removing slugs by automatically ejecting the material. The stop shoulder design prevents over-drilling, protecting inner components of electrical and junction boxes. Ideal for plastics and thin gauge metals up to 1/8" thick.

- Key Features: Thin Wall 8 TPI, Burr-Free Holes, Stop Shoulder to Prevent Over-Drilling
- Included Sizes: 7/8" Hex Shank Saw, 1-1/8" Hex Shank Saw, 1-3/8" Hex Shank Saw

Material: Steel

Details/Features: 1/4" quick change hex shank for use with impact drivers, 40% faster cuts than standard bi-metal hole saws, Ejection spring automatically removes slugs

Product Testing: *Every product is inspected for accuracy, quality, and functionality before shipping to ensure it meets our high standards.*

Alternate Part Numbers: *With the transition from AN to MS and NAS part numbering systems, there are often multiple part numbers that meet the same specifications and performance standards. If only an alternate part number is available, we will contact you to confirm its compatibility with your application. We strongly recommend consulting the appropriate repair manuals to ensure accuracy before using an alternate part.*

Model Compatibility: *We are committed to providing accurate and up-to-date compatibility information for our parts. While the listed models reflect verified applications, this list is continually expanding. If your model isn't listed, it may still be compatible, and we encourage you to consult your repair manuals to verify the required part number before placing an order. Additionally, if you believe a model should be listed, please contact us so we can update our records accordingly.*

New Stock: *New Stock parts are directly sourced from the manufacturer and have never been used, ensuring their pristine condition. These parts come in their original packaging, straight from the factory, and are typically accompanied by full manufacturer documentation. The items are guaranteed to meet manufacturer specifications and are ready for immediate use.*

Sold Per Each: *This item is sold individually, with the price listed for a single unit. Perfect for purchasing the exact quantity needed without the requirement to buy in bulk. For larger quantities, consider reviewing any available bulk pricing options.*
