Condition and Unit of Sale

---

**OVERHAULED:** Parts in this condition have undergone a thorough overhaul process, restoring them to like-new condition. Overhauling includes disassembly, inspection, and replacement of any worn components to meet manufacturer or industry standards. After the overhaul, these parts are tested and certified, making them ready for use in demanding applications. Overhauled parts offer a balance between cost savings and the reliability of a part that has been restored to peak performance.

**SOLD PER EACH:** This item is sold individually, with the price listed for a single unit. Perfect for purchasing the exact quantity needed without the requirement to buy in bulk. For larger quantities, consider reviewing any available bulk pricing options.
