

92070-20012-047 - FITTING ASSEMBLY, FOR USE ON SIKORSKY S-96A

Description

92070-20012-047 - FITTING ASSEMBLY, FOR USE ON SIKORSKY S-96A

New Surplus, Sold Per Each

Type: Fitting Assembly, For Use On Sikorsky S-96A

A Fitting Assembly is a combination of components designed to connect, support, or join various structural or mechanical elements in a system

Standard: Sikorsky S-96A

Sikorsky S-96A Helicopter

This part is used on Sikorsky S-96A Helicopters, an advanced medium-lift aircraft designed to excel in both military and civilian operations. The S-96A combines cutting-edge technology with proven performance, making it a reliable choice for demanding missions. Key Strengths of the Sikorsky S-96A:

- **Powerful Lift Capability:** Engineered for medium-lift operations, ideal for cargo transport and tactical missions.
- **Advanced Avionics:** Equipped with state-of-the-art navigation and flight systems for precision and safety.
- **Enhanced Durability:** Built to withstand challenging environments, ensuring reliable performance under stress.
- **Versatility in Roles:** Suitable for missions ranging from search and rescue to medical evacuations and troop transport.

The Sikorsky S-96A's robust design and operational flexibility make it a standout choice for both commercial and military operators requiring a dependable helicopter for a wide range of applications.

Series: 92070 FOR SIKORSKY S-92A

Product Testing: *Every product is inspected for accuracy, quality, and functionality before shipping to ensure it meets our high standards.*

Alternate Part Numbers: *With the transition from AN to MS and NAS part numbering systems, there are often multiple part numbers that meet the same specifications and performance standards. If only an alternate part number is available, we will contact you to confirm its compatibility with your application. We strongly recommend consulting the appropriate repair manuals to ensure accuracy before using an alternate part.*

Model Compatibility: *We are committed to providing accurate and up-to-date compatibility information for our parts. While the listed models reflect verified applications, this list is continually expanding. If your model isn't listed, it may still be compatible, and we encourage you to consult your repair manuals to verify the required part number before placing an order. Additionally, if you believe a model should be listed, please contact us so we can update our records accordingly.*

New Surplus: *These parts are classified as new and unused, meaning they have not been installed or placed into service. However, they come without traceability or original manufacturer certifications, which might be required for certain high-level regulatory uses. Our company provides its own Certificate of Conformance (CoC) as a statement of assurance that the parts are in good working condition and have been sourced from reliable channels. These are ideal when the focus is on cost-effectiveness without compromising on quality.*

Sold Per Each: *This item is sold individually, with the price listed for a single unit. Perfect for purchasing the exact quantity needed without the requirement to buy in bulk. For larger quantities, consider reviewing any available bulk pricing options.*
