

AS1040W0404 - ELBOW FITTING, ALUMINUM ALLOY, TUBE TO BOSS, FLARED (ALL ENDS), EXTERNAL THREADS

## Description

# AS1040W0404 - ELBOW FITTING

---

**Condition:** New Surplus

**Unit of Sale:** Sold Per Each

## SPECIFICATIONS

---

**Material:** Aluminum Alloy

**Features:** Tube To Boss, Flared (All Ends), External Threads

**End 1 Leg Length:** 1.531"

**End 2 Leg Length:** 0.703"

**Flow Angle:** 45.0 Degrees

**Seat Angle:** 37.0 Degrees (End 2)

**Thread:** 7/16-20 (All Ends)

## PART NUMBER INFORMATION

---

### AS1040 SERIES

**Unpunctuated:** AS1040W0404

**NSN:** 4730-01-508-6435

## AS STANDARD

---

**AS (Aerospace Standard)** components are designed to meet the high-performance and safety requirements of the aerospace industry. Manufactured from high-quality materials like **titanium**, **stainless steel**, and **specialized alloys**, AS parts ensure durability and performance in extreme environments. Each AS part is coded to ensure compliance with aerospace industry standards and provides traceability for safety-critical applications. Refer to **specification sheets** for precise details.

## HISTORY

---

**AS STANDARDS** were created by **SAE International** (Society of Automotive Engineers) to address the growing complexity of aerospace manufacturing. The introduction of these standards allowed for consistent quality across the aerospace supply chain, improving both the production and maintenance of aircraft and spacecraft.

## Condition and Unit of Sale

---

**NEW SURPLUS:** These parts are classified as new and unused, meaning they have not been installed or placed into service. However, they come without traceability or original manufacturer certifications, which might be required for certain high-level regulatory uses. Our company provides its own Certificate of Conformance (CoC) as a statement of assurance that the parts are in good working condition and have been sourced from reliable channels. These are ideal when the focus is on cost-effectiveness without compromising on quality.

**SOLD PER EACH:** This item is sold individually, with the price listed for a single unit. Perfect for purchasing the exact quantity needed without the requirement to buy in bulk. For larger quantities, consider reviewing any available bulk pricing options.
