Bahco

Bahco is a premium tool brand providing tailored solutions for professionals in green, trade, automotive, industrial metal cutting, and general industries.

Innovators in Tools

Bahco has invented essential tools like the adjustable pipe wrench, adjustable wrench, multi-component handles, and Sandflex® saws, holding over 400 patents and multiple awards. With over 24,000 products, Bahco combines cutting-edge technology, ergonomic design, and a century of expertise.

Part Number Information

Part Number: BAH2535L

Unpunctuated: BAH2535L

Product Testing: *Every product is inspected for accuracy, quality, and functionality before shipping to meet our high standards.*

Alternate Part Numbers: *Due to the nature of ever-evolving part numbering structure, multiple part numbers may meet the same specifications and performance standards. If only an alternate part number is available, we will contact you to confirm compatibility. We strongly recommend consulting the appropriate repair manuals to ensure accuracy before using an alternate part.*
