- Automatic return feature retracts automatically, speeding up operation use and reducing operator fatigue
- Heat-treated cutting edge holds it edge for cutting tough (*up to .41*) Stainless steel and safety wire
- One hand operation allows for operator closing and locking with minimum of handle force
- High carbon alloy steel forging are used for maximum durability and long life
- Used by: Contractors & mechanics for construction & auto repair, Municipalities for safe prying, lifting & digging, Fire & Police - Forcible entry

WILLIAMS TOOLS

Williams Industrial Tools has been a trusted name for industrial professionals since 1882, creating durable, high-quality tools designed for the rigorous demands of industries like power generation, oil and gas, mining, and manufacturing. With a focus on engineering tools that withstand extreme conditions, Williams delivers reliability and performance that professionals count on.

History of Williams Industrial Tools

The story of Williams Industrial Tools began in Red Hook, Brooklyn, New York City, where its first factory was ahead of its time. Equipped with innovative recycling of oil, fireproof architecture, and a dedicated fire department, the facility exemplified Williams' commitment to safety and sustainability. In 1914, the flagship production facility moved to Buffalo, New York, continuing a tradition of tool

manufacturing excellence. In 1993, Snap-on acquired J.H. Williams, rebranding it as Snap-on Industrial Brands in 2011, further strengthening the brand's industrial legacy.

Why Williams Industrial Tools is a Great Choice

Williams Industrial Tools offers an extensive range of products designed with safety, durability, and ease of use in mind. Their lineup includes wrenches, insulated tools, hydraulics, pliers, clamps, snips, and pipe tools—everything a professional needs to get the job done efficiently. Their unique "Tools@Height" program addresses workplace safety by reducing the risk of injuries and equipment damage when working at height. With Williams, professionals benefit from a brand dedicated to productivity, safety, and innovation.

Part Number Information

Part Number: JHWWTC-11

Unpunctuated: JHWWTC11

Product Testing: *Every product is inspected for accuracy, quality, and functionality before shipping to meet our high standards.*

Alternate Part Numbers: *Due to the nature of ever-evolving part numbering structure, multiple part numbers may meet the same specifications and performance standards. If only an alternate part number is available, we will contact you to confirm compatibility. We strongly recommend consulting the appropriate repair manuals to ensure accuracy before using an alternate part.*
