

NAS551-4D - BOLT, FLUID PASSAGE, NEW SURPLUS, SOLD PER EACH,
NSN: 4730-00-720-0692, NIIN: 7200692

Description

NAS551-4D - BOLT, FLUID PASSAGE

NSN: 4730-00-720-0692, NIIN: 7200692

New Surplus, Sold Per Each

Specifications

Surface Treatment: Anodize

Material: Aluminum

Overall Length: 1.375" *Nom*

Width Across Flats: 0.688" *Nom*

Additional Information: Drilled For Lockwire

Part Number Info

Part Number: NAS551-4D

Unpunctuated: NAS5514D

NSN: 4730-00-720-0692

NIIN: 7200692

Potential Alternates: NAS551-4DH, 4730PL0565331, MIL-F-5509, AS4875

Replaces Cancelled NSN: 4730-01-248-8506, 4730-01-029-7769

New Surplus: These parts are classified as new and unused, meaning they have not been installed or placed into service. However, they come without traceability or original manufacturer certifications, which might be required for certain high-level regulatory uses. Our company provides its own

Certificate of Conformance (CoC) as a statement of assurance that the parts are in good working condition and have been sourced from reliable channels. These are ideal when the focus is on cost-effectiveness without compromising on quality.

Sold Per Each: This item is sold individually, with the price listed for a single unit. Perfect for purchasing the exact quantity needed without the requirement to buy in bulk. For larger quantities, consider reviewing any available bulk pricing options.

Product Testing: Every product is inspected for accuracy, quality, and functionality before shipping to meet our high standards.

Alternate Part Numbers: Due to the nature of ever-evolving part numbering structure, multiple part numbers may meet the same specifications and performance standards. If only an alternate part number is available, we will contact you to confirm compatibility. We strongly recommend consulting the appropriate repair manuals to ensure accuracy before using an alternate part.
