

NAS561C2-5 - PIN, SPRING, NEW SURPLUS, SOLD PER EACH, NSN: 5315-01-325-9046, NIIN: 13259046

Description

NAS561C2-5 - PIN, SPRING

NSN: 5315-01-325-9046, NIIN: 13259046

New Surplus, Sold Per Each

A spring pin is a hollow, cylindrical pin with a split down the length, used to secure components by exerting outward force.

Specifications

Style/Shape: Slotted

Surface Treatment: Passivate

Material Thickness: 0.012" *Nom*

Material: Steel

Diameter: 0.062" *Nom*

Overall Length: 0.297" *Min* - 0.327" *Max*

Part Number Info

Part Number: NAS561C2-5

Unpunctuated: NAS561C25

NSN: 5315-01-325-9046

NIIN: 13259046

Potential Alternates: 5315PL0725463

New Surplus: These parts are classified as new and unused, meaning they have not been installed or

placed into service. However, they come without traceability or original manufacturer certifications, which might be required for certain high-level regulatory uses. Our company provides its own Certificate of Conformance (CoC) as a statement of assurance that the parts are in good working condition and have been sourced from reliable channels. These are ideal when the focus is on cost-effectiveness without compromising on quality.

Sold Per Each: This item is sold individually, with the price listed for a single unit. Perfect for purchasing the exact quantity needed without the requirement to buy in bulk. For larger quantities, consider reviewing any available bulk pricing options.

Product Testing: Every product is inspected for accuracy, quality, and functionality before shipping to meet our high standards.

Alternate Part Numbers: Due to the nature of ever-evolving part numbering structure, multiple part numbers may meet the same specifications and performance standards. If only an alternate part number is available, we will contact you to confirm compatibility. We strongly recommend consulting the appropriate repair manuals to ensure accuracy before using an alternate part.
